

## FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky as second class mailable matter.

**GEORGE A. LEWIS.**  
Editor and Publisher.

FRANKFORT, JULY 19, 1884.

For the benefit of the Woodford Sun we will say that we get our information with regard to Congressional matters from the daily papers of the country and the Congressional Record and not from papers which are hostile to Gen. Williams. If the newly elected Senator from Kentucky was in any measure instrumental in securing the passage of the river and harbor bill at the late session of Congress we have failed to notice it in the proceedings. He certainly did not vote for the passage of the bill, which would indicate that he was just the least bit neglectful of the measure if not of his "re-e-cord."

The ROUNDABOUT "professes" to be nothing but a local newspaper devoted to the best interests of Franklin county, and if either her Senator or Representative in Congress neglect those interests we shall be very likely to let their constituents know it.

### Base Ball.

The Louisville Base Ball Club—the champions—will play the White Halls, of this city, on Wednesday, the 30th inst.

Two colored nines, the Main Streets and the Bootblacks, played a game on the sandbar Thursday, which resulted in a score of 26 to 1 in favor of the Bootblacks. Only one man in the Main streets succeeded in striking the ball.

The Main and St. Clair street nines crossed bats at Lake Park Monday afternoon, when Main street got away with St. Clair, it is said by taking underhols, bulldozing the umpire, &c. But St. Clair reorganized and was to tackle them again yesterday afternoon when they expected to wipe up the earth with them.

The South Frankfort and the Eclipse, both South Side clubs, played a game of ball Monday, which resulted in a score of 17 to 7 in favor of the former. The South Frankfort and the Frankfort Amateur nines will play this afternoon on the old Valley grounds.

The game of base ball Tuesday between the White Hall and Georgetown Clubs resulted in the regular old time score of 24 to 15 in favor of the home club. The batting of the home boys was very heavy indeed, but their folding was hardly as it should have been. The visitors were weak both at the bat and in the field, many of their scores being made by getting bases on called balls, Buttiner being off in his pitching.

A good crowd was in attendance and enjoyed the game, notwithstanding it was a long and slow one. Organized as the White Halls now are they will make a strong team with a little practice together.

Mrs. Jas. H. Cline, formerly Miss Lyda Todd, of Belle Point, died at the residence of her father-in-law in North Middletown, Bourbon county, Thursday morning of consumption. Her young husband, who has been very low for some time with the same relentless disease, has the deepest sympathy of his many friends in this city, but he has the consolation of knowing that the separation is but of short duration and that she will await his coming upon the other shore, where they will part no more forever.

While talking to a gentleman on the 2:25 train Wednesday afternoon, Mr. Dan. Meagher, Jr., was carried over the river, and in attempting to jump from the steps of one of the cars he fell, cut his head in several places and bruised himself up badly.

Messrs. Charley Weitzel and Harry O'Donnell, two clever and enterprising young men, will open their new novelty store in the Weitzel building on the 23d. Mr. O'Donnell will have immediate charge of the business and will be glad to have all his old friends call and see him.

Mrs. Joseph Robinson, formerly Miss Margaret P. Innis, of this county, died at her home in Mt. Sterling, Illinois, on the 9th inst., aged 73 years.

Colonels are so common in this State now that the Governor is appointing Majors on his staff to relieve the monotony.

### An Answer Wanted.

Can any one bring us a case of Kidney or Liver Complaint that Electric Bitters will not speedily cure? We say they can not, as thousands of cases already permanently cured and who are daily recommending Electric Bitters, will prove. Bright's Disease, Diabetes, Weak Back, or any urinary complaint quickly cured. They purify the blood, regulate the bowels, and act directly on the diseased parts. Every bottle guaranteed.

For sale at 50c. a bottle by Joseph LeCompte.

Mr. L. Weitzel, having completed his new block of buildings, he and his boys are now ready for business and invite all their old friends to call and see them. They will keep the best goods in their respective lines and will give bargains. Having contributed so largely to the improvement of the city Mr. W. deserves a liberal share of the patronage of our citizens.
